Answering the Clarion Call

They overcame him by the blood of the Lamb and by the word of their testimony...

Revelation 12:11

Alex, our interpreter, viewed Georgia as a series of challenges after the breakup of the USSR. The questions that the Georgians asked themselves were, "Who is in charge and will it affect us?" The first region who resisted the change was South Ossetia in 1991. The second was Abkhazia in 1992-93. The third conflict was over a corrupt President, Mr. Shavardnadze. The fourth occurred on August 8, 2008, when Russia invaded Georgia. Russia was trying to punish Georgia for daring to integrate with the West. We have witnessed the awakening of the "Russian Bear." This was yet one more sign of the "urgent times" we are living in. All four mini wars resulted in loss of life. Could this be the time that Georgians would be ready to turn to God? The Lord had called us to Georgia to minister to businessmen, university students, community leaders, social organizations and others in the capitol city of Tbilisi.

We traveled to Georgia on March 2 - March 18, 2010. This was a very timely opportunity to reach out to this devastated nation. In fact, this could have been our last chance to reach the Georgian people with the Gospel. If you have never been to Tbilisi, you will be amazed by the beauty of this "hidden European jewel." It is crossed by a beautiful river Mtkvari, complete with an ancient fortress, surrounded by stately mountains, abundant vineyards, and famous for its fresh, delicious food. The city has become a favorite destination of many European travelers, but the Georgians needed to hear the message of hope. We also ministered in the neighboring nation of Armenia.

Our outreach to the Republic of Georgia and Armenia was outstanding. The people were warm and open to the Gospel. We were able to build long lasting relationships. John Schmook deserved a star. At 81 years of age and a broken knee cap he was tireless in sharing his testimony, praying, prophesying and teaching. Here are a few pictures:

We were blessed to meet and train new FGBMFA business leaders from Gyumri, Armenia. Ara Kojoyan will lead the team.

Georgians attended business seminars in Tbilisi. Seminars presented:

Starting a Business, Advertising, Business Ethics, Managing Your Money, Presenting Your Testimony plus workshop, Fire Team Training and commissioning seminar attendees, Setting Priorities, Heart Belief and Mouth Confession, Flexibility in listening to God and being obedient, Mentorship / Discipleship, Training in leading Georgians to salvation and the Baptism of the Holy Spirit, Who you are in Christ. Everyone received prayer and was prophesied over.

Divine appointments were scheduled with government leaders in the city of Vanadzor, Armenia. New believers are given opportunities to influence area citizens with the message of hope.

OUR VISION FROM GOD: Men who are spiritually dead are standing shoulder to shoulder across the globe; hear and receive the message of hope, and are spiritually resurrected from the dead, filled with God's Holy Spirit, with radiant faces and hands lifted toward heaven praising God.
